SUN 28TH JUNE

Sculpture in a Day

For the absolute beginner who has always wanted to have a go at sculpture. In this fun one day workshop you will be guided through the process of modelling, mould making and the casting of a simple sculpture.

► \$130 / FRIENDS: \$110

SAT 4TH - MON 6TH JULY

Letter Carving Workshop with Ian Marr.

Ian Marr is an accomplished and recognised Australian artist and letter cutter. This class will begin with a structured approach to carving letters in stone. Students will be able to carve some more organic forms at the end of the workshop as a way of building confidence with both tools and stone.

► \$395 / FRIENDS: \$345

WED 8TH - FRI 10TH JULY

If Vermeer were a Sculptor

In this 3 day intensive class you will make a relief sculpture study of a the Head of Georgia (Tom Bass) adorned with a fabric folded headdress. Participants are invited to enrol in a regular workshop to complete the casting of their study.

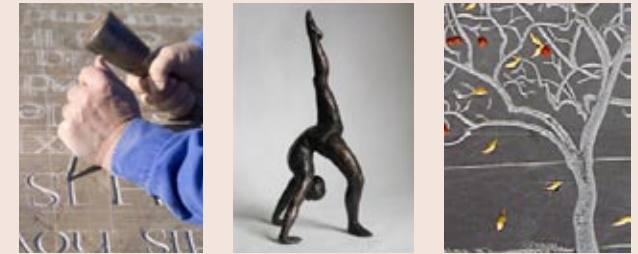

► \$395 / FRIENDS: \$345

SAT 11TH - SUN 12 JULY

Wax workshop with Abby Parkes

Abby has once again offered this workshop to us. You will be guided through the traditional method of working directly in wax: carving, modeling and constructing a small, 15cm max, sculpture in wax. (This workshop does not cover the cost of bronze casting, however your sculpture could be taken directly to a bronze foundry to be cast) Notes will be provided.

► \$280/ FRIENDS: \$250

ALL WORKSHOPS RUN FROM 9.30AM - 4.30PM
