

**Friends of TBSSS**

***What you can expect as a Friend...***

*Friends* can increase their knowledge of sculpture while developing a stronger connection with the TBSSS and its founder Tom Bass AM. All *Friends* events are designed to compliment a student's studio practice and learning and provide opportunities for individuals (non-students) who are interested in sculpture.

**Friends of TBSSS receive our:**

- Quarterly newsletter
- Annual Workshop Schedule
- Invitation to the Annual Student Exhibition
- Invitations to upcoming Studio School exhibitions
- Email updates for workshops and discounts to attend private TBSSS events

**Plus great discounts to special events including:**

- Summer & Winter School programs
- Studio School talks and lectures
- Private viewings at artists' studios
- Guided tours of sculpture exhibitions and collections

You will have the opportunity to meet and socialise with other students, art collectors and artists who seek genuine opportunities to engage more fully in the world of sculpture in Australia all year round.
