WINTER SCHOOL 2008

SUN 29TH JUNE

INTRODUCTION TO WOODCARVING

with **Maricha Oxley**

Maricha Oxley, the awarding winning Sydney-based sculptor and teacher returns for another introductory workshop. Tailored for beginners in wood carving, participants will carve a penguin and learn the proper use of hand-carving tools and gain knowledge of the materials. Notes will be provided so the finishing touches can be completed at home. Wood prepared and ready to carve.

- ▶ \$200 / early bird* \$185
- ▶ FRIENDS: \$185 / early bird* \$180 (all inclusive)

SAT 5TH - SUN 6TH JULY

WAX WORKSHOP with **Abby Parkes**

In this popular workshop you will be guided through the traditional method of working directly in wax. You will carve, model and construct a small, 15cm (max) sculpture in wax. The pros and cons of working with this versatile material will be discussed and notes provided. Parkes has worked at Crawford's Casting and has used this method in creating her own sculptures. NB. This workshop does cover the cost of wax but does not cover the cost of bronze casting, however your sculpture could be taken to a bronze foundry to be cast.

Visit Parkes' website: www.apsculpture.com

- ▶ \$280 / early bird* \$250
- ▶ FRIENDS: \$250 / early bird* \$240

WED 9TH JULY & WED 16TH JULY

LIFE DRAWING with **Damien Lucas**

Would you like to improve your drawing skills? Join Damien Lucas for two Wednesday evenings during these holidays. Time: 6-9pm

- ▶ \$120 / early bird* \$100
- ▶ FRIENDS: \$100 / early bird* \$90

All WORKSHOPS RUN FROM 9.30AM – 4.30PM (unless otherwise specified)

SAT 12TH JULY – MON 14TH JULY

WOODCARVING STAGE 2 with **Maricha Oxley**

This workshop builds on skills learned in the introductory workshop. Over 3 days participants can enjoy the challenge of carving a wombat under Oxley's watchful eye. Wood prepared and ready to carve.

- ▶ \$495 / early bird* \$435
- ▶ FRIENDS: \$435 / early bird* \$410

TUES 15TH – THURS 17TH JULY

A STUDY IN PORTRAITURE

with **Wendy Black**

In this workshop participants will make an armature and create a portrait study (bust) of the life model in clay. NB. Time does not allow for mould making and casting. Participants are invited to enrol in a regular workshop to complete the study.

- ▶ \$405 / early bird* \$355
- ▶ FRIENDS: \$355 / early bird* \$340

SUN 20TH JULY

SCULPTURE IN A DAY with **Bernice Lowe**

This is the place to start for the absolute beginner, who would like to have a go. In this fun one day workshop you will select a project from references (provided). These projects have been chosen so that you will be able to complete a small sculpture in a day. You will be introduced to the process of modelling, making a one piece plaster waste mould, casting in plaster, removing the mould and preparing for colouring.

- ▶ \$100 all inclusive

SUN 27TH JULY

INTRODUCTION TO THE LIFE STUDY

with **Michael Christie**

This introduction will give you an insight into the complexity of sculpting from the life model. Explore the rhythm and expression of the human form through the use of drawings and then creating a clay maquette (small model).

- ▶ \$170 / early bird* \$155 (all inclusive)

* Early bird payment discount due one month before workshop

2008 WORKSHOP INITIATIVES

CHANGES TO LIFE STUDY CLASSES beginning Term 2

Beginning Term 2, we are making a change to the Life Study Program. Our Saturday workshop will be a **FOUNDATION LIFE STUDY CLASS** and our Tuesday workshop will be the **ADVANCED LIFE STUDY CLASS**. For full details see the website or phone. In the meantime, Tom Bass is developing a Master Class in the Life Study, so watch this space for details!
